GUIDED WINERY TOUR & WINE TASTING

The tour begins with a walk through the vineyards, accompanied by an expert guide who will reveal the secrets of the grape varieties that define the distinctive wines of this corner of Tuscany.
Continue to the 18th-century farmhouse, a charming historic estate that tells the story of this renowned winery's winemaking heritage. The visit then takes you to the aging cellar, carved into volcanic tuff, where the wines mature under ideal conditions.
Conclude your experience with a tasting of five premium wines - including a distinctive wine aged in a cocciopesto amphora - paired with a selection of crostini, bruschetta, local cured meats, and traditional cheeses.
