

CINQUE TERRE PRIVATE BOAT TOUR

The day begins in the morning, on board, you will be welcomed with a selection of fresh fruit, traditional Ligurian focaccia, and Prosecco.

After a pleasant cruise toward Lerici, with its impressive cliffs and medieval castle, the tour continues to Portovenere, a picturesque village that marks the gateway to the wonders of the Gulf of Poets. From here, the view of Palmaria and its crystal-clear waters is enchanting.

The navigation proceeds toward Tino and Tinneto, two uninhabited islands and the location of the first swimming stop, where you can enjoy a refreshing snorkel.

The heart of the tour is the exploration of the Cinque Terre: a unique journey along the rugged coastline of Monterosso, Vernazza, Corniglia, Manarola, and Riomaggiore — villages suspended between sea, vineyards, and dramatic cliffs.

In Vernazza, where landing is possible along with Monterosso, you can enjoy lunch in one of the local restaurants.

Cruising within the Cinque Terre Park, and in full compliance with the regulations of the marine protected area, you will have the chance to admire the villages from a privileged viewpoint: directly from the sea, surrounded by comfort and the magic of the landscape.

After the coastal exploration, you will return in the afternoon, carrying with you the beauty of these unique and unforgettable lands.
