

PORTOVENERE PRIVATE BOAT TOUR

The day begins at 10 am, when the crew will welcome you on board with a platter of fresh fruit, Ligurian focaccia, and a glass of Prosecco. After the welcome, you will set sail toward Sestri Levante, cruising along stunning coastal views until reaching the famous Baia del Silenzio, one of the most iconic bays on the Eastern Riviera.

The cruise continues with a stop at the spectacular Rocce Rosse, a sheer cliff overlooking the sea, distinguished by its striking reddish hues and surrounded by clear, deep waters. An unspoiled spot accessible only by boat, it is perfect for a refreshing swim and moments of pure relaxation.

At lunchtime, you will disembark in Portovenere or on the Island of Palmaria. In both locations, you can enjoy a lunch featuring traditional Ligurian cuisine.

After lunch, there will be time to visit Portovenere, a charming fishing village located at the edge of the Gulf of Poets. Here you can stroll through its colourful narrow streets and discover some of its most iconic landmarks, such as the Tower of Portovenere, Doria Castle, and the evocative Church of St. Peter, perched dramatically above the sea.

The tour continues with the discovery of Palmaria Island, one of the most captivating destinations along the coast, known for its lush nature, panoramic trails, and unique coastal scenery.

The cruise then heads toward the islands of Tino and Tinnetto, which, together with Palmaria, form the heart of the archipelago. Here you can swim close to the shore, immersed in crystal-clear waters and surrounded by typical Ligurian vegetation. The crew will provide snorkelling equipment, allowing you to explore the seabed in complete freedom.

In the late afternoon, you will return to shore, bringing an unforgettable day to a close, filled with sea, nature, history, and dreamlike landscapes.
