

DINNER AT THE CASTLE OF TORRE ALFINA

There are places that tell stories, where countless lives have intertwined and whose legendary adventures have been etched into high, majestic walls. These places, untouched by the passage of time, narrate the history of an entire country and become its very symbol.

One of these places is the Castle of Torre Alfina, a magnificent fortress that, within its imposing towers, courtyards, breathtaking terraces, and lush gardens, preserves centuries of history and endless memories. At the end of the 18th century, a marriage brought the castle into the hands of the Bourbon del Monte family, after five centuries under the protection of the Monaldeschi della Cervara family. In 1880, the estate was purchased by Edward Cahen d'Anvers, a wealthy Belgian banker who became Marquis of Torre Alfina. He devoted himself to the restoration of the manor, a monumental project that gave the castle the appearance we can still admire today.

Experience an unforgettable evening at the Castle of Torre Alfina and indulge in

a private five-course gourmet dinner in one of the castle's elegant halls or in its

enchanting garden, depending on weather conditions. During the dinner, live

music will accompany the evening, adding a magical atmosphere. A unique

with centuries of tradition.

Perfect for those seeking an extraordinary evening immersed in history,
