

DISCOVER THE AMALFI COAST

Enjoy a full day at sea exploring the extraordinary Amalfi Coast, a place where dramatic cliffs, crystal-clear waters and pastel-colored villages create one of Italy’s most iconic landscapes.

This private boat tour is the perfect way to relax, swim, and experience the authentic beauty of this Mediterranean gem. Departing from Positano, you will cruise along the coastline and admire Praiano, the dramatic Fjord of Furore, the renowned Emerald Grotto, the tiny island of Isca, the historic Torre di Capo di Conca, and the charming beaches of Atrani, Castiglione, Maiori, and Minori. Upon arrival in Amalfi, enjoy a refreshing swim in its unmistakably turquoise waters. You will then have free time to explore Amalfi on your own—wander through its picturesque alleyways, visit the magnificent Cathedral, or enjoy a bit of shopping in the local boutiques.

The tour concludes with a leisurely cruise back to Positano, soaking in the timeless beauty of the coast.
