

# ARONA: BETWEEN ART AND TASTE

Your journey begins in Arona, a graceful town overlooking the southern shores of Lake Maggiore.

With your licensed guide, wander through the historic centre, discovering its elegant streets, rich heritage, and charming lakeside atmosphere.

Then, venture into the surrounding hills to admire the monumental San Carlone, the impressive bronze statue of St. Charles Borromeo, born in Arona in the 16th century.

Step inside this extraordinary 17th-century monument and climb up to the saint's eyes for a breathtaking panoramic view, a remarkable engineering achievement that later inspired Bartholdi, the creator of the Statue of Liberty.

Your experience concludes with a visit to a prestigious Italian cheese-ageing house, home to masterpieces such as Parmigiano Reggiano, Pecorino, Bitto, Gorgonzola, and the prized Bettelmatt.

Explore the atmospheric cellars and enjoy a wine and cheese tasting, with the opportunity to shop for select local products.
