

DISCOVER CAPRI

Experience the very essence of the Italian seaside lifestyle with a private boat tour designed to offer sea, sun, and absolute relaxation, far from the crowds.

Let yourself be carried along the crystal-clear waters of the Amalfi Coast, sailing past breathtaking scenery, dramatic cliffs, hidden coves, and charming islets such as La Vetara, Li Galli, and Lo Scoglio a Penna, before reaching the enchanting Bay of Jeranto.

The island of Capri will welcome you with its iconic cobalt-blue waters and the scent of the Mediterranean sea, creating a blend of sensations that can only be experienced here, in the heart of Italy’s legendary coastal beauty. During the island tour, you will admire the White Grotto, the Green Grotto, Scoglio del Monacone, the Natural Arch, the Villa of Curzio Malaparte, and the majestic Faraglioni, timeless symbols of Italian elegance.

A swimming stop is planned, giving you the opportunity to swim or snorkel in the crystal-clear water, while refreshments will be served on board so you can relax and enjoy the panorama in total comfort.

You will also have the chance to disembark at Marina Piccola, explore the island, enjoy some shopping, or simply stroll through Capri’s charming streets, soaking in its unique atmosphere and unmistakably Italian charm.
