

# TOUR RAGUSA IBLA AND MODICA

Visit the enchanting historic center of Ragusa Ibla, with its magnificent palaces and elegant Baroque churches. Together with seven other towns of the Val di Noto, Ragusa is recognized as a UNESCO World Heritage Site. Enjoy a leisurely walk through the Iblei Gardens, charming public gardens created in the 19th century, then continue to the iconic Church of San Giorgio, a masterpiece of Sicilian Baroque, set on a hilltop that enhances its grandeur. Continue on to Modica, a city that captivates you step by step. Walk along its scenic stairways, get lost in the maze of narrow streets, and stop to admire the many panoramic viewpoints.

As you stroll along Corso Umberto I, you'll encounter shops, traditional taverns, restaurants, and pastry shops inviting you to sample local specialties. It's no coincidence that Modica, known as the City of One Hundred Churches, is considered one of the capitals of Sicilian Baroque.

It is also the birthplace of the famous Modica chocolate, which you can taste in many varieties. This chocolate is produced according to an ancient recipe of Aztec origin, brought to Sicily by the Spanish conquerors, who ruled the island for several centuries.
