

PERSONAL CHEF - LOCAL TASTE

Savor the most genuine and heartfelt Italy with one of our professional chefs, who will prepare for you the most authentic local dishes.

Starting from a selection of seasonal, locally-sourced products, the chef will create a unique menu together with you, allowing you to discover the authentic flavors of the region, reinterpreted with skill and passion.

You will experience a special moment, simple and authentic, like the people and places that inspire it. Every small Italian community preserves simple yet unique and unforgettable products and flavours, which you can discover without giving up the comfort and tranquillity of your villa.

You can choose from a meat, fish, vegetarian, or vegan menu, each crafted with full respect for the local roots of the villa and the chef.

Every option will be personalized according to your preferences, allergies, or intolerances, allowing you to fully enjoy the true local cuisine in complete peace of mind.
