

TRUFFLE HUNTING WITH LUNCH

An unforgettable and authentic truffle experience in Tuscany, set in the peaceful woods of the region. Join an expert truffle hunter and his highly trained dog for a unique adventure that reveals the secrets of one of Italy's most prized delicacies. The experience begins with an engaging introduction to the fascinating world of truffles, offering insight into their history, varieties, and seasonal characteristics. The activity then moves into the forest, where participants take part in a hands-on truffle hunt, learning how to recognise the signs and techniques used to find these hidden treasures. Watching the strong bond between the truffle dog and its handler makes the experience even more special and memorable.

After the hunt, the experience concludes with a delicious truffle-based lunch, carefully prepared to highlight the intense and refined flavours of freshly harvested truffles.

The dishes are paired with two selected local wines, enhancing the aromas and completing a truly authentic Tuscan gastronomic journey.
