

CERAMICS WORKSHOP UMBRIA AND TUSCANY

Immerse yourself in Italian artisanal tradition with an authentic ceramics workshop set between Umbria and Tuscany. Guided by skilled local artisans, you will discover traditional techniques such as slab building and coil construction, shaping clay with creativity and patience. The experience takes place in a friendly and relaxed atmosphere, inside a local workshop rich in character. Using only simple materials and traditional tools, you will connect with a craft passed down through generations of Italian makers. Each gesture reflects the deep cultural heritage of this land.

At the end of the experience, you will take home your creation, a special keepsake of your time here.

A meaningful, hands-on experience that celebrates Italian craftsmanship - perfect for those who appreciate authenticity, tradition, and creativity.
