

BOAT TOUR LAKE COMO

Set off from the tranquil western shore of Lake Como and enjoy a four-hour private cruise along this iconic lake.

From the moment you depart, the scenery opens up to a classic view of the lake: elegant villas framed by cypress trees, picturesque pastel-colored villages facing the water, and mountains rising majestically in the background.

You will sail among refined lakeside towns and some of the most photographed views of the lake. Together with the captain, you can choose your preferred stops, and you may also decide to pause to explore one of the villages along the shore.

After returning on board, you will continue cruising over the sparkling waters, and at lunchtime, you can stop and go ashore for a meal at one of the local restaurants of your choice.

After lunch, you will get back on board and can relax, enjoying the breeze and the shimmering reflections on the water as you return to San Siro.
