

WHITE TRUFFLE HUNTING IN THE CRETE

Enjoy an authentic Tuscan white truffle hunting experience, immersed in the extraordinary landscape of the Crete Senesi.

A unique adventure alongside an expert truffle hunter and his trained dog, discovering one of the most prized and rare products of Italy’s gastronomic tradition.

The experience begins in a traditional osteria with an introduction to the world of truffles, exploring their history, varieties and seasonality. You will then head into the woodland for a genuine truffle hunt, an ancient and fascinating activity, where you will learn how to recognise the signs that reveal these hidden treasures and admire the deep bond between the truffle hunter and his dog.

At the end of the hunt, you will return to the osteria for a delicious truffle-based lunch, featuring truffle salami and pecorino cheese, fresh pasta topped with freshly sliced truffle, followed by dessert, water and local wine. Everything is served in the warm, authentic atmosphere of a traditional Tuscan osteria.
