

CRU WINE TASTING AT THE VILLA

Enjoy an exclusive food and wine experience without leaving the comfort of your villa with a private tasting guided by a professional sommelier.

The tasting is dedicated to the most prestigious wines of the historic Bindi Sergardi family, custodians of over 23 generations and more than 700 years of Tuscan winemaking tradition.

The stars of the experience are the Cru wines, produced in extremely limited quantities and of the highest quality, including Chianti Classico Gran Selezione and Super Tuscan, carefully selected to offer an authentic and refined sensory journey.

The sommelier will guide you through the tasting, sharing insights on history, terroir, winemaking techniques, and food pairings, transforming your villa into a private cellar of excellence.

The tasting is complemented by a selection of high-quality local products chosen to enhance the wines without overpowering them. The experience includes

artisanal cheeses and local honey, carefully selected to create a harmonious balance with the different types of wine, and is completed with extra virgin olive oil produced on the estate, reflecting the same philosophy of quality and respect for the land that defines the wines.
