

# E-BIKE TOUR IN VAL D'ORCIA

Explore the breathtaking beauty of Tuscany's Val d'Orcia region on an exciting, eco-friendly e-bike tour.

This UNESCO World Heritage site is renowned for its hills, charming medieval villages, and endless vineyards.

Starting from the picturesque village of Bagno Vignoni, the tour takes you through stunning historical towns like Pienza, famous for its Pecorino cheese, and the famous "Elysian Fields" where the movie Gladiator was filmed.

Along the way, stop to visit the iconic Vitaleta Chapel, one of the most photographed spots in the region, before heading toward San Quirico d'Orcia. The tour concludes back in Bagno Vignoni, where the main square is actually a large, ancient thermal pool known as Piazza delle Sorgenti, fed by natural hot springs.

During the tour, you'll also enjoy a relaxing Italian "merenda" featuring delicious local products from the area, giving you a true taste of Tuscany's culinary delights.
