

# HISTORIC CHEESE AND TASTING

Step into historic underground cheese-ageing cellars and discover the craftsmanship behind one of Italy's most respected dairy traditions. During the guided visit, you will learn about the essential role of time, environment and expert artisanal care in transforming milk into cheeses of remarkable depth and character.

The cool, atmospheric cellars reveal centuries-old techniques that are still faithfully practised today.

At the end of the visit, you will enjoy a curated tasting of aged cheeses, accompanied by artisan bread and breadsticks, water, and a glass of wine: a refined introduction to local dairy excellence.
