

LAKE COMO GREENWAY & VILLA DEL BALBIANELLO

The Greenway is one of Lake Como's most enchanting scenic walks, meandering through tranquil villages and terraced paths with uninterrupted views of the water, Bellagio, and the distant Alps. Stunning in every season, it offers a perfectly paced immersion into the lake's more serene and authentic side. Beginning at the elegant lakefront of Tremezzo, your private guide will lead you through charming hamlets once favoured by wealthy merchant families for their noble villas and meticulously designed gardens. Along these historic lanes, your guide will reveal the lesser-known stories that shaped the region's rich past. The walk then returns to the shoreline for a gentle lakeside promenade towards Villa del Balbianello, renowned for its extraordinary gardens and breathtaking setting, and famously featured in iconic films such as Casino Royale and Star Wars. Enjoy time to explore the gardens, take in the stunning panorama, and fully absorb the magic of the location.
