

FERRARI MUSEUM AND FERRARI TEST DRIVE 10'

Experience the thrill of the Cavallino Rampante with an unforgettable day at the Ferrari Museum in Maranello, complete with a Ferrari test drive.

Step into the heart of Italy's Motor Valley and get up close to the legend of Ferrari. Your adventure begins at the Ferrari Museum, a true temple of speed and innovation, where you'll explore iconic cars, Formula 1 single-seaters, prototypes, and models that have shaped motorsport history.

The highlight of the day is the road test drive in a Ferrari. Jump on your Ferrari California and feel the pure adrenaline of driving a supercar under the guidance of a professional instructor. From the roar of the engine to gear shifts, acceleration, and precise steering, every moment delivers the authentic Ferrari experience.

Perfect for car enthusiasts, Formula 1 fans, or anyone looking to turn a day in the Motor Valley into an unforgettable, high-octane memory.

THE PRICE INCLUDES

Ferrari Museum in Maranello entrance ticket, 10' test drive with Ferrari California for each guest

THE PRICE DOESN'T INCLUDE

Anything not expressly listed under "The price includes."

IMPORTANT

Longer test drive available on request. Minors on request, only for the museum part.

During the test drive, the professional instructor will be in the passenger seat.

If requested, a passenger in the back seats can be added with an extra.

EU citizen must present a valid physical driving licence. If the license was obtained after December 14 2024, the driver must have at least 3 years of driving experience.

Non-European citizens must present a valid physical driving licence and international driving permit, with at least 3 years of experience and be at least 19 years old.

In the event of non-compliant documentation, it will not be possible to carry out the test drive and no refund will be given.
