

# ORVIETO & CIVITA DI BAGNOREGIO TOUR

Discover two authentic gems of central Italy with an exclusive experience between Umbria and Lazio, surrounded by breathtaking landscapes. Enjoy an unforgettable day exploring Orvieto, a stunning hilltop city set on a tufa cliff and renowned for its extraordinary artistic and historical heritage. Accompanied by a tour leader, you will visit the magnificent Orvieto Cathedral, a masterpiece of Italian Gothic art, and descend into the evocative world of Orvieto Underground, a fascinating subterranean route revealing centuries of hidden history carved into the rock.

The journey continues to Civita di Bagnoregio, the famous “dying town,” suspended in time and connected to the modern world by a scenic pedestrian bridge. You will stroll through silent alleys, stone houses, and unique panoramic viewpoints, immersed in a timeless atmosphere that makes this village one of Italy’s most iconic destinations.

For maximum comfort, private van transportation with a dedicated driver is included, allowing you to enjoy the entire day in total relaxation and peace of mind.

An elegant and engaging itinerary, designed for those who wish to discover iconic places rich in history and charm, with exclusive, detail-oriented service.
