

E-BIKE DAILY RENTAL

Discover the freedom to explore the stunning countryside surrounding the villa all the way to Volterra in a sustainable, authentic, and effortless way with your e-bike.

Ride through rolling hills, rows of cypress trees, historic villages, and scenic white roads immersed in greenery, guided by the slow rhythm of nature.

Thanks to the support of the e-bike, you can tackle any route — from flat stretches to panoramic climbs — with maximum comfort and no stress.

Daily rental allows you to experience the countryside around Volterra in complete autonomy, choosing as many days as you wish or simply enjoying it for a single day.

Breathe in the fresh air, slow down your pace, and rediscover the pleasure of traveling on two wheels. Tuscany awaits you.
