

WINE TASTING IN MONTERIGGIONI

In the heart of the Sienese countryside, among rolling hills and neatly lined vineyards, an exclusive experience awaits you at Cantina Poggio ai Laghi in Monteriggioni, one of the most charming villages in Tuscany. Surrounded by medieval walls and timeless landscapes, you will enjoy a private tasting designed to highlight every nuance of the territory.

The experience includes a guided tasting of 8 carefully selected wines, authentic expressions of the local winemaking tradition. From fresh and aromatic whites to structured and enveloping reds, each glass tells the story of vineyards kissed by the Tuscan sun and caressed by the gentle hill breezes.

Accompanying the tasting is a rich and varied Tuscan appetizer selection: artisanal cured meats, aged pecorino cheeses, and local specialties that enhance the perfect pairing between wine and cuisine. Genuine flavors blend harmoniously with the aromas in the glass, creating a complete sensory journey. The visit takes place in an intimate and private atmosphere, among oak barrels and the scent of must, enriched by stories and insights about the production process and the history of the winery. An authentic and convivial moment, perfect for those who wish to discover the true soul of Tuscany through its wine and traditions.
