

FULL DAY AT THE WINERY

Enjoy a full day at the winery, discovering all the traditional activities of this corner just outside San Gimignano, where the beauty of the Tuscan vineyards meets a passion for cuisine and fine wine.

The day begins with an exclusive cooking class, during which you can try your hand at preparing traditional Tuscan dishes, choosing between two authentic options, guided step by step by a professional chef who will show you how to make fresh pasta.

Once the preparation is complete, you will savor the meal you have created together, accompanied by a tasting of eight carefully selected wines from the cellar, allowing food and wine to perfectly complement each other while exploring the aromas and pairings typical of the region.

Finally, you will explore the vineyards in complete privacy, on foot, by golf cart, or with a jeep tour, enjoying breathtaking views and soaking in the enchanting atmosphere of the Sienese countryside while uncovering the secrets that make Tuscan - and particularly Sienese - vineyards unique on the world stage.

This experience is designed for those who wish to fully immerse themselves in the Tuscan food and wine culture, combining authentic flavors, stunning landscapes, and moments of true relaxation.
