

BEER, OIL & VOLTERRA'S “WHITE GOLD”

Start your day with a journey to discover the exceptional natural and artisanal heritage of the Volterra area. This exclusive full-day experience combines local history, craft beer, traditional Tuscan cuisine, and the timeless charm of one of Tuscany's most captivating towns.

In the morning, you will meet your private guide, who will take you to the historic salt mines of Volterra, a fascinating place where salt – known as Italy's “white gold” – tells centuries of history. Here you will explore the underground world of the mines and be amazed by the spectacular salt cascade, a unique setting and perfect for memorable photos.

During the visit, you will also discover the craft brewery located inside the mine, one of the most unusual beer production sites in the world. The experience continues with a tasting of craft beers, paired with carefully selected snacks.

After this immersive morning experience, you will head to the beautiful town of Volterra, dramatically set on a hilltop and rich in history. Here you will enjoy a relaxed lunch at a local restaurant, where you will savour an authentic Tuscan

soup, crispy bruschettas, and take part in an interesting tasting of extra virgin olive oil produced on the surrounding hills.

In the afternoon, your expert guide will lead you on a one-hour walking tour of Volterra, from its Etruscan origins through the medieval and Renaissance periods. Strolling through charming lanes, breathtaking viewpoints, and hidden corners, you will enjoy a journey through time that makes this experience truly unforgettable.
