

# A JOURNEY OF WINES, FLAVOURS & CHOCOLATE

Enjoy a tasting experience celebrating the harmony between local wines and regional cuisine, enhanced by freshly baked pizzas and focaccia thoughtfully paired with each glass.

The experience begins with a guided visit of the wine cellar, where vineyard cultivation practices and the techniques of winemaking and ageing are clearly explained, offering insight into the philosophy behind each label.

The tasting journey opens with a rosé wine, followed by Vespolina and two expressions of Nebbiolo, including a more structured, barrel-aged version. Each wine is introduced with expert commentary, highlighting its character, balance and deep connection to the territory.

Throughout the experience, the wines are accompanied by a curated selection of local specialities, including cheeses, cured meats, artisan breads and oven-baked delicacies, carefully chosen to enhance the progression of flavours without overpowering the wines.

The experience concludes with a final tasting of artisan chocolate, offering a sweet finish.
