

TASTING EXPERIENCE AT TWO WINERIES AND WINE CELLAR TOURS

Explore two vineyards in the well-known Tuscan wine region of Pisa, with its scenic views of hills, dedicated to the art of winemaking. Enjoy an educational and enjoyable wine tour, including two guided tastings with ten wines in total, each paired with local specialities.

Experience the perfect balance between tradition and modernity as you travel short distances between estates, enjoying panoramic views of the Tuscan hills. If the weather is favourable, take a stroll through the vineyards with a guide for an in-depth understanding of the winemaking process.

The region offers a variety of wineries to choose from, ranging from small family farms to larger estates with a global reach, each offering a unique touch to the wine world, including contemporary art displays and innovative architecture. Enjoy a curated wine-tasting experience tailored to suit individual preferences in this charming wine haven.
