

VINCI: LEONARDO VILLAGE WINE & GELATO

Accompanied by your private wine expert guide, you'll have the opportunity to visit an estate that once belonged to the Medici family, the most prestigious family of the Renaissance in Tuscany and lords of Florence. Discover the historic wine cellar and indulge in a tasting of four wines produced by the current owners, a noble family of counts. A delightful light lunch is also included with the tasting.

Following this, you'll venture into the medieval town of Vinci, the birthplace of Leonardo, the world-famous genius for a self-guided walk.
