

CYCLING AND COOKING PIZZ-E-BIKE

If you want to combine your love for outdoor sports and the lush Tuscan countryside with your passion for good Italian food, this is the perfect opportunity for you.

Start your adventure by cycling through the green Tuscan hills, surrounded by breathtaking views, endless vineyards, and centuries-old olive trees, with an expert guide accompanying you every pedal of the way.

At the end of your ride, a delicious reward awaits you: pizza.

In an authentic Tuscan farm, under the guidance of a skilled pizzaiolo, you'll have the chance to learn how to make pizza from scratch. You'll prepare the dough following the instructor's tips and secrets, and while it's left to rise, you'll have the opportunity to select seasonal organic ingredients directly from the farm's garden to create your perfect pizza.

Once your pizza is ready, you'll cook it in a traditional wood-fired oven like a true professional, before enjoying the fruits of your hard work, accompanied by local wine or beer and a dessert prepared by a chef.

When you leave, you'll take with you not only a new skill but also the recipe for the pizza you just made.

THE PRICE INCLUDES: e-bike, helmets, backpacks (upon request), pizza-making class, pizza lunch made by you, dessert, drinks, guide on bike.
