

MONTEPULCIANO: LUNCH AND WINE TASTING

Discover the excellence of the wines from Montepulciano, which have deep roots in Etruscan tradition and are a unique expression of the Tuscan winemaking landscape.

Thanks to the variety of soils and ideal microclimatic conditions, these wines offer an incredible range of aromas and body. The pairing with typical local dishes creates a sensory experience that immerses you in the culture and traditions of our land.

To allow you to savor this land, an authentic Tuscan lunch has been carefully designed for you, featuring a tasting of 4 fine wines, selected over the centuries to perfectly match the typical flavors of this region.

The menu includes a selection of local delicacies: cured meats from Cinta Senese or Grigio Toscano, Pecorino cheese from Pienza with honey and jam, traditional Tuscan crostini with vegetables, fresh vegetable flan, marinated vegetables, followed by a typical first course, freshly baked bread and focaccia, and ending with fresh local seasonal fruit.
