

CIVITA DI BAGNOREGIO & WINE TASTING

Immerse yourself in the timeless charm of Civita di Bagnoregio, known as "the dying city," a breathtaking village perched above the Valle dei Calanchi. Reachable only by a footbridge, it offers a rare opportunity to step back in time and experience an ancient, almost mystical atmosphere. The beauty of the landscape, shaped by wind and rain over centuries, is a spectacle not to be missed.

Following this, indulge in a wine-tasting experience at Madonna del Latte. Begin with a stroll through the vineyard, where they craft exceptional wines and learn about sustainable methods of vine cultivation.

Explore the ancient wine cellar, carved into tuff stone—likely an Etruscan tomb—and see where they age the wines in French oak barrels under perfect conditions.

Taste five carefully selected wines, including sparkling, white, and red varieties, all paired with the finest local cheeses, cold cuts, and extra virgin olive oil. This is the perfect combination of history, nature, and fine Italian craftsmanship.
