

EXCLUSIVE DINNER AT THE CASTLE

There are places that tell stories, places where countless lives have unfolded, their legendary adventures forever engraved on tall, majestic walls. These places, immune to the passing of time, narrate the history of an entire country, so much so that they become its symbol.

One such place is the Castle of **Torre Alfina**, a stunning fortress that, within its impressive towers and courtyards, gorgeous terraces, and lush gardens, holds centuries of history and infinite memories.

In the late 1700s, like the most captivating tales of the past, it was a marriage that brought the castle into the hands of the **Bourbon del Monte family**, after five centuries under the protection of the **Monaldeschi della Cervara** family. In 1880, the estate was purchased by **Edward Cahen D'Anvers**, a wealthy Belgian banker who became the **Marquis of Torre Alfina**. He embarked on a monumental restoration project, transforming the castle into the magnificent structure it is today.

Experience an unforgettable evening at Torre Alfina Castle, indulge in a **luxurious 5-course dinner** either in one of the castle's elegant rooms or in its enchanting garden, depending on the weather. Enjoy **live music** during your meal, adding to the magical atmosphere.

A unique dining experience within a historical masterpiece, where every bite is accompanied by centuries of tradition. Perfect for those who seek an extraordinary evening steeped in history, elegance, and charm.
