

CAVEAU DI EVELINA EXPERIENCE

Discover the Timeless Charm of the “cantina”, a place that once represented the beating heart of the Tuscan farmhouse and is now a symbol of the region's extraordinary winemaking tradition.

Embark on an exclusive experience, a journey into the heart of history and flavor, as you uncover the selection of wine treasures in the Caveau di Evelina in Montepulciano. This enchanted space, carved into the living rock of Montepulciano, is the guardian of a winemaking tradition that spans centuries. Guided by expert sommeliers, you will set off on an unforgettable gastronomic adventure, tasting three prestigious wines from the aged vintages of the winery, masterpieces that tell the story of the passion and dedication of the region's winemakers. Each sip will be a plunge into flavor, accompanied by a carefully selected range of local products, perfectly paired to create unique and surprising combinations.

This experience is designed for both true connoisseurs and those who wish to learn, for those seeking the perfect union of history, terroir, and the authentic taste of Montepulciano. Allow yourself to be transported, with elegance and refinement, into a timeless story where every detail is crafted to astonish and satisfy even the most raffinate palates.
