

SYRAH
TERRE SICILIANE I.G.T.

Born from 100% Syrah grapes, entirely sourced from our estates, this wine showcases the intense aromas and complex flavors typical of the variety, enhanced by the warmth of the Sicilian sun, which ensures perfect ripening of the grapes.

Vinification begins with destemming and cold maceration of the skins for 2 days at 8°C, followed by fermentation at 26–28°C with frequent pump-overs and punch-downs to extract aromas and tannins in balance. The malolactic fermentation takes place in steel, while the wine rests on fine lees for at least 5 months, gaining structure and complexity, before completing its journey with bottle aging.

In the glass, it is enveloping, elegant, and intense — an authentic expression of Syrah in its purest and most refined Sicilian style.
