

# ETNA ROSATO ALTA MORA

Alta Mora Etna Rosato is produced from 100% Nerello Mascalese, coming from a one-hectare vineyard located in Solicchiata, at about 750 meters above sea level.

The grapes are hand-harvested in 18 kg crates and taken to the winery, where they rest overnight to cool by at least 10°C before processing.

Wine-making begins with a soft pressing of whole grapes, avoiding pumps, to extract about 40% of the must. After a night of static cold settling, fermentation takes place in stainless steel tanks at controlled temperature. The wine then rests for several months on fine lees in steel, contributing complexity, freshness, and minerality.

The final result is an elegant rosé, mineral and fresh, with delicate aromas of red fruits, floral notes and subtle Mediterranean hints. On the palate, it shows a lively acidity, sapid minerality and a harmonious, vibrant structure.

**Grapes:** Nerello Mascalese 100%

**Alcohol:** 12.5%

**Format:** 0.75l

**Info:** Contains sulfites – Product of Italy
