

## BOAT TOUR OF PORTOFINO GULF

Experience the gulf of Portofino from the sea and live an unforgettable adventure. Discover the stunning beauty of the gulf of Portofino and its protected natural area from a unique perspective: the sea.

Sail past towering cliffs and explore hidden, tranquil coves, with the opportunity to swim in the crystal-clear waters. Reach the enchanting bay of San Fruttuoso, home to a medieval abbey perched right on the beach, and the famous "Christ of the Abyss" statue, which you can admire while snorkelling in the bay.

Continue to Camogli, one of the most picturesque villages on the Ligurian coast, known for its colourful houses and charming fishermen's harbour. Take a short walk around the village before returning to Portofino.

An ideal excursion for nature lovers, adventure seekers, and anyone wanting to experience the magic of the Ligurian Riviera in style.
