

POTTERY WORKSHOP

A unique experience awaits you in the heart of Sicily, where an expert ceramist will guide you in creating a one-of-a-kind piece of ceramic.

Inside her workshop, you'll be able to choose between a vase, a plate, or a bowl and let your creativity flow, working with clay and decorating your piece with vibrant colors and brushes.

You'll learn the techniques of traditional Sicilian ceramics, an art deeply rooted in the local culture, and create a masterpiece that you can take home as a tangible memory of your experience.

This activity will allow you to connect with the island's artisanal traditions, discovering the skill and passion that have been passed down through generations in the creation of unique ceramics. Set in the enchanting Sicilian landscape, the workshop offers a creative, relaxing, and fun afternoon. At the end of the course, your decorated piece will be ready to take home, a personal souvenir that captures a piece of Sicily.
