

RIDE THE APENNINES ON AN ENDURO – FULL DAY

Get ready for a true off-road adventure with a full-day enduro tour designed for experienced riders and adrenaline seekers.

Starting from the ridges of the Tuscan-Emilian Apennines, you'll tackle technical trails and safe single tracks in areas like Cortona, Castiglion Fiorentino, Chiusi della Verna, or even Monte Fumaiolo.

This is a demanding day of riding with steep climbs, fast descents, narrow forest passages, and stunning views – or, if landscapes aren't your thing, we can push the pace and hit all four regions: Tuscany, Umbria, Marche, and Emilia-Romagna.

Lunch is at a traditional local restaurant (not included in the price), the perfect break to enjoy authentic Apennine cuisine.

Led by expert local guides, you'll ride carefully selected routes built to test your technique, endurance, and adventurous spirit.

A full-on experience blending enduro passion, wild nature, and local culture.

THE PRICE INCLUDES: Motorcycle guide, rental of a specialist enduro bike.

THE PRICE DOES NOT INCLUDE: Cost of lunch at a traditional local restaurant.
