

WINEMAKER IN VILLA

Discover a unique and exclusive experience directly in the comfort of your villa: taste five exclusive wines, each narrated by the producer who will personally guide you through the history, winemaking, and production techniques of these exclusive natural wines. Become part of a centuries-old tradition that has made this land famous, passed down from generation to generation.

To enrich the experience even further, the producer will lead you through the tasting, sharing expert tips on aromatic and tasting notes, making this experience perfect not only for seasoned wine enthusiasts but also for those who are approaching the world of wine tasting for the first time.

A personalized sensory journey crafted with care and passion for the product, designed to allow you to experience every aspect of the rich Tuscan wine world, all without leaving the comfort of your villa.

At the end of the tasting, you will also have the exclusive opportunity to purchase the wines you have tasted, with direct delivery to your villa or international shipping.

THE PRICE INCLUDES: Tasting of five wines, Presence of the winemaker as guide
