

WINE, DINE & SHINE – AN EXCLUSIVE EXPERIENCE OF JEWELLERY AND FINE DINING

Imagine an evening immersed in the elegance of a 15th-century historic palace, once an olive press for a noble family, now transformed into a refined space where jewellery artistry and gourmet cuisine come together to create a truly unique experience.

The journey begins with a private visit to the jewellery showroom, a place that celebrates centuries of history and creativity. Here, guests will discover the ancient lost-wax casting technique, still used today to craft unique and precious jewellery pieces—each one a work of art to admire up close.

For one special evening, the showroom will be transformed into an exclusive private restaurant, reserved just for you.

As a prelude to the dinner, guests will have the opportunity to select and wear exquisite pieces from the collection, experiencing a moment of genuine luxury. The evening opens with a sophisticated welcome toast, featuring prosecco enriched with silver dust, a sparkling celebration to mark the beginning of an unforgettable night.

The private chef curates an exclusive and ever-evolving menu, designed to highlight the authentic flavours of Tuscan cuisine with a modern twist. Each course is paired with a selection of fine wines, served in Magnum glasses, enhancing the aromatic nuances and elevating every bite into a unique sensory experience.
