

GELATO CLASS – THE ART OF ARTISAN GELATO IN SAN GIMIGNANO

In the heart of Tuscany, surrounded by stunning landscapes and historic villages, lies an artisan gelato workshop with over thirty years of experience. A place where both adults and children can enjoy a unique adventure by joining the Gelato Class, an engaging activity designed for the whole family. The experience begins with a fascinating journey through the history of gelato, from its Renaissance origins to the present day, followed by the discovery of the secrets behind authentic artisan production. Through a fun and hands-on process, participants will learn to distinguish between handcrafted gelato and industrial ice cream while unleashing their creativity. Each participant will then have the chance to prepare two authentic flavours: a creamy Fiordilatte made with raw milk and a seasonal fruit gelato (such as strawberry, banana, or lemon). This will offer even the youngest guests the opportunity to experiment and get hands-on in total safety. At the end of the class comes the most awaited moment – tasting the freshly made gelato, a sweet conclusion to share with the family.

THE PRICE INCLUDES: Gelato-making lesson with a Master Gelatiere, ingredients, and final tasting.
