

BOAT RENTAL WITH SELF-DRIVE – LAKE COMO – UP TO 5 PEOPLE

Explore Lake Como in total freedom with a self-drive boat, perfect for a family or a group of friends looking to create unforgettable memories. The boat, a Marino Atom 450 with a 40-horsepower engine, is modern and spacious, featuring a large sundeck at the bow and a ladder for easy access in and out of the lake’s crystal-clear waters. With its 40-horsepower engine and excellent maneuverability, no boating license is required, making it a fun and safe experience, ideal for both beginners and boating enthusiasts alike. From the unique perspective of the lake, admire the historic villas along the shore, explore charming villages, and discover hidden coves accessible only by water. For an unforgettable experience, take a refreshing swim and soak in the breathtaking scenery in total relaxation.

DURATION: 4H.

THE PRICE INCLUDES: Rental of a Marino Atom 450 self-drive boat with a 40-horsepower engine for 4 hours.

THE PRICE DOES NOT INCLUDE: Fuel cost (€100 to be paid on-site).
