

JOURNEY THROUGH TIME: DISCOVERING THE ESTATE THROUGH ITS WINES

Discover an unforgettable sensory journey through the cellar of a prestigious Estate in the Marche region, where tradition and innovation meet. Taste four carefully selected wines: two historical vintages and two contemporary expressions, reflecting the Estate's evolution towards sustainable and high-quality production. Accompanying the tasting, enjoy an appetizer with zero-kilometer products that showcase the best of the region. This experience is enriched by fascinating stories about the Estate, the secrets hidden in its bottles, and the owners' commitment to the future of the territory. A unique opportunity to explore the passion and vision that make this place truly special, in a setting that celebrates authenticity, sustainability, and winemaking excellence.

DURATION: about 90 minutes

THE PRICE INCLUDES: Tasting of 4 wines with local delicacies (Any allergies and intolerances, as well as special dietary guidelines, must be communicated at the time of booking.)
