

PIZZA & BRUNELLO EXPERIENCE

Gather friends and family and meet around a real wood-fired oven to prepare a delicious pizza together.

You will hand-stretch the dough and then let your imagination run wild, choosing from the many ingredients prepared for you by Podere Pociano—starting, of course, with the delicious local olive oil and other delightful Tuscan products. Even the little ones can be part of the experience, picking their favorite ingredients and enjoying a fun and safe moment as little chefs.

Once you're satisfied with your creation, all that's left to do is place it in the oven and let the fire work its magic, delivering your personalised, mouth-watering pizza.

Of course, no pizza is complete without a fresh salad—and especially a delicious glass of their Brunello di Montalcino, the perfect pairing to elevate this tasty and interactive experience in the heart of Tuscany.
