A Cesarina embodies the warmth and hospitality of Italian mammas, creating a truly authentic Italian atmosphere. They specialize in crafting authentic Italian specialties using local ingredients. Each dish is a celebration of the rich culinary tradition of Italy, ensuring a truly memorable culinary experience. Enjoy a 4-course menu featuring: a starter, handmade pasta crafted from local ingredients, a main course with a side dish - available in vegetarian, vegan, or seafood options - and lastly a delightful homemade dessert. Upon request, your Cesarina can entertain guests with a live cooking demonstration in the villa's kitchen, showcasing one of the menu's recipes. Learn the secrets to perfecting authentic Italian dishes as your Cesarina reveals her culinary techniques and tips. Your Cesarina will start preparing the selected dishes in her home, completing them in the villa's kitchen to make sure it is hot and ready at the perfect time. She will set the table using the villa's crockery and cutlery, creating a cosy and authentic Italian dining atmosphere. And, if you wish, she will join you for the meal, enriching the experience with genuine Italian hospitality and warmth.
